

# prayermatters

## Staff

Pray for more staff to join TSCF, allowing us to disciple more students, and for more committed partners who can contribute to their financial needs.

## Gospel of Luke

Pray that as students begin reading the gospel of Luke with their non-Christian friends, going into 2016, the “orderly account” of Jesus’ life will effectively reveal his lordship to many. Please pray

for boldness and wisdom for students who have picked up pairs of the Kiwi-produced gospel and haven’t yet decided what to do with them.

## Minterns

Please pray for those completing their internship year, and those applying for Minty 2016. Pray that they will all grow in faith, in their commitment to disciple others and share the gospel with the lost. And please pray for James Allaway as he picks up oversight of the programme.

## prayermatterscampus

### Dunedin

Praise God for talks leading up to exams, and pray for those who came, especially non-Christians. Pray for new leaders in all the groups. Pray also for someone suitable to fill the final place in the new student housing, and for funds to purchase the home so it can continue as a student community.

### Lincoln

Pray for the new CF leadership team as they transition into their roles. Praise God for the number of people involved, and the number of churches they represent. Pray that more students would take up opportunities to share the gospel, building on their commitment to serve their community.

### Canterbury

Pray that CU students will apply the implications of

the discussions around God’s sovereignty to their evangelism efforts and plans for the group. Praise God for these discussions, and pray that God would be working in the hearts and lives of those who have heard the gospel.

### Palmerston North

Please pray for the new leadership team at PNOCF as they step out of their comfort zones. Pray that students who come week after week will be convicted by the power of God and that his word will transform hearts and minds. And please pray for graduating students, that their lives will forever be set on fire by the gospel.

### Wellington

Please pray for staff to join the work in Wellington, and for Ben Carswell as he returns full-time to TSCF and focuses on Wellington campuses.

## prayermatterscampus

Please pray that Max and Mei Rideout, Canadian staff workers, will have a smooth application process as they seek visas to work with TSCF in Wellington.

The Rongopai house, which provides accommodation in community near Victoria University, has room for new students. Please pray that people who will benefit from and contribute to the community will apply.

### Hamilton

Hamilton CF will experience a few goodbyes from core members. Please pray that God will bring more people into the group and sustain it. Pray for the six new student leaders, that each will grow in their relationships with God and others, excel in studies, and see clearly what to invest in next semester. Pray that God will give each one a passion for him and the students they are serving.

### Auckland

#### University of Auckland

Pray that Jesus Week events will lead to more

questioning, friendships, answers, and an ongoing commitment to evangelism by student leaders.

#### Massey Albany

Thank God for the encouragement associate staff worker Steve Turner has shared – increasing engagement of students on campus and a growing interest in the word. Praise God for a strong core group, and pray for new leadership next year. Please pray that Auckland staff numbers would increase so that we have the capacity to better support this work.

#### Auckland international students

Please pray for Jeff and Jane Pelz, May Lee, Jeff and Annette Lane, and Conrad Bace as they provide hospitality, lead Bible studies and build friendships with international students. Many know little or nothing about Jesus. Pray also that more staff and volunteers would be able to help the team reach out.

#### Veritas

Please pray for the ongoing success of the group as they transition into new leadership next year.

### IFES World Student Day

World Student Day, 16 October, was an opportunity to pray together for those who are Christ's ambassadors and disciples on campuses around the world. Please pray for the entire IFES world, asking God to enlighten, establish, and enable his witnesses in these key institutions. And pray for protection for those affiliated groups, new and old, who are in regions of the world where it's dangerous to profess faith in Christ. Ask God to make them bold and use them to bring peace to troubled lands.

Palestinian students praying for countries that suffer from violence and for "the homeland of Christ," lighting a candle of peace.
