

# Launch '17

Launch Auckland is a day for university and polytech students to get ready for the new academic year and think through what it looks like to live as a Christian student.

If you're starting uni, it's a great way to get to know other students so there'll be some friendly faces when you arrive on campus. And it's a great way for current students to get re-oriented and start the year well. This is for you if you are going away from Auckland to study somewhere else in NZ, coming from somewhere else to study in Auckland or staying here to study.

**Be inspired. Get connected.**
