## Vision 80

We are praying for God's provision through TSCF's partners as we send letters and emails introducing the Vision 80 fund. Please pray that many people would be a means of blessing to this ministry, and

would be blessed themselves as they participate in the Great Commission. The hope is that an additional \$150,000 will be donated, covering greater-than-usual outlays over the past year and allowing ministry initiatives for 2017 to go forward.

## prayermatterscampus

### Waikato

#### Hamilton CF

- Please pray for our new staff worker, David Hodgkinson, who begins overseeing the work in Waikato and Tauranga in 2017. Pray that everyone will work together smoothly for the glory of God.
- Many students are working this summer and some are travelling back home. Pray for safety and a fruitful time at home and in their jobs.
- We thank God for his presence and strength during the study period and exams.
- Thank God for the successful Celebrate Waikato event, which about 50 people attended. It was an encouraging time.

### Otago

#### Dentistry CF

We are praying that God will bring the right staff worker to support us, and praying for Dave Baab, who has worked with the group for many years, as he and his wife move back to the United States.

### Canterbury

#### CU

Please pray with CU students, that they will remain involved in their churches and evangelism over summer. Pray for the executive team as they get ready to welcome new students in 2017.

Praise God for 15 years of faithful ministry from the Santich family, and for the safe return of the Robson family from their sabbatical.

### Wellington

#### TSCF Wellington

Please pray with us as we think about our vision for next year. Pray that the end-of-year retreat will be a great time of fellowship and decision-making, where a passion for this work and community is renewed and grown.

### Auckland

Please pray that those who attended Jesus Week events and the University of Auckland and took

## prayermatterscampus

copies of the gospel of Luke would come to know Jesus as they read the account of his life.

### CMF

Please pray that God would use the Christian Medical Fellowship as a transforming force for the Gospel on Grafton Campus in 2017, soften the hearts of non-believers there, and revive lukewarm believers.

Also pray that God would give students a strong cohort of second year Christian medical students. Pray that the leaders of CMF will have wisdom planning events, and above all that God's will will be done as he advances his Kingdom on campus.

### International student ministry

Please pray that through the many Christmas activities international students attend, they would learn why Christ came. Also pray that they would feel God's love and joy as they are welcomed into Christians' homes at this time.

### Lincoln

#### CF

We give thanks to God for the growth of LUCF during 2016 with a large number of first year

Christian students joining, and the increasing number of non-Christians who have been exposed to the Holy Spirit as they interact with Christian students.

We are thankful for the opportunities to serve on campus, for students growing in their faith, and for those who have become Christians. We also praise God for the new groups of students meeting regularly to read God's word.

Please pray for the new LUCF executive team as they aim to guide the fellowship in step with God's will, and that they will also have a passion to see the Kingdom of Christ come on the Lincoln University campus.

We also ask for prayer for the first semester next year as we plan for all the new students, that we may be able to sow the seed of God's Word in the hearts of many non-Christians and provide a supporting family for who come to study at Lincoln.

Lastly LUCF would love prayer for the future of this fellowship, that we may continue to grow in numbers and that our hearts will be constantly open to God's will for us. Pray that we will deal with any obstacles in a way that is honouring God.

## prayermattersworld

### CECE Ecuador

Praise God for 25 years of ministry on Ecuador's campuses, and for the growth in recent years. Praise him also for the partnership with TSCF that has allowed staff and students from each ministry to benefit from time spent in each other's country and context.

CECE continues to lack time, energy, staff and finances to sustain the growth and opportunities they face. Pray with them, both for times of rest and miraculous provision.

Please pray that Bev Hicks would fully recover from her stroke, and for all that Ruth, Josué and the family need in the meantime to be supplied.
