Applicant Name: _____

Referee Name: _____

TSCF's ministry is part of a worldwide partnership across 150 nations. Our vision is to see students reach their fellow students with the good news of Jesus Christ, becoming leaders amongst their peers and going on to engage in the culture and society that God calls them to. TSCF has been involved in student ministry on the campuses of New Zealand for the last 80 years – we are committed to the gospel reaching the heart of New Zealand university students and impacting the heart of Kiwi society.

For several years TSCF has overseen intentional student community houses in Dunedin and in Wellington. In 2018 we have taken on four properties in Dunedin with space for nineteen students. Two staff families will be living on site and will be part of daily life in the houses. The name we have given the initiative is the Quarters. The vision for the Quarters can be summed up as follows: Lifetime friends, under God, sharing Life. Living in the houses will be much like flatting anywhere in New Zealand. The key distinctive is that residents commit to a number of shared practices that are aimed at helping them grow as a community and grow as disciples of Jesus Christ.

The applicant has applied for a place in the Quarters. We now need your input to confirm their place. They have given you as a reference and we would appreciate your input on the areas listed below.
