GLOBAL REACH JOURNEYS:

- Pray for the two Global Reach Journeys happening in November, with groups from NZ travelling to Fiji and Nepal.
- Pray for safety in travel, and for opportunities to share Jesus with those they meet.
- Pray for the students and staff participating in these trips, that they would come to a greater understanding of God's heart for the world and for his global mission.

NATIONAL:

- Give thanks to God for the many partnerships that exist in the TSCF community. Thank God for new partnerships and old ones, and pray that we would encourage one another as a community of faith.
- Pray for staff and students across the country as they enter the summer period. May they know rest and refreshment, and God's guidance as they begin to plan and prepare for 2020.

AUCKLAND

Massey Albany:

- New Leadership Team.
- Logistics around weekly meetings.
- Increased Outreach on Campus.
- Deepening in faith as members engage and share with others.

Bena for Sola Scripta at UoA:

Prayer that the team would grow deeper in His infallible Word and the change of their eternities would produce godly fruit. Also for wisdom and direction for 3 of our students who will graduate this year the Lord willing.

So, as part of new committee I think we really need prayer for integrating and just getting a hang of everything and sorting out the planning for next

year. Also, we've kinda shrunk as a club so it would be nice if we had more people, but the people we do have are really amazing! Then last thing would just be that we all stay focused on our goals of building each other up in the word and prayer and that we continue to evangelise to our friends and others on campus. Thanks!!

- Benjamin AOCF.

Our prayer request would be looking at leadership for next year and praying that God would continue to work in and through AUTCF.

- Lauren, AUTCF.

PALMERSTON NORTH

- Praise God for provision of new student leadership teams for MUCF and PNOCF and a new staffworker. Pray that the teams will form close connections and develop a passion for proclaiming Christ together.
- Pray for follow-up from the MUCF waffles outreach. A good proportion of people taking waffles have indicated on our questionnaire that they are willing to have a conversation about Jesus.

WAIKATO/BAY OF PLENTY

Toi Ohomai Christian Fellowship and University of Waikato CF in Tauranga:

I think the biggest prayer point for Toi Ohomai is leadership for going into next year just a willingness for people to step up and lead the group.

- Annelise, Toi Ohomai.

Thank God for the students who acted in The Mark Drama in September & the small groups of faithful students on each campus this year.

- Pray that The Mark Drama follow-up discussion forums will enable students to ask deep questions and consider who Jesus claims to be.
- Pray that students would have courage to befriend and engage in dialogue with their peers over the summer months about Jesus.
- Ask God to provide new leaders and group members for both these campus groups in 2020.

CHRISTCHURCH

- Thank God for the Mark Drama, held in Christchurch and Lincoln earlier this year.
- Please pray for the new student leadership team at Canterbury CU as we get to know each other and plan 2020. Please ask God to help us be creative and bold in reaching those on campus who don't yet know Jesus.
- Please continue to pray for students at UC who have been affected by events this year – March 15 and the recent student death in Sonoda. Pray for the University and for Christians especially to continue to demonstrate God's love in the face of suffering and sorrow.

LINCOLN

- Please pray for the new student leadership team as they continue to establish and get to know one another. Pray for creativity and boldness in their witness and relationships on campus
- Give thanks for the post graduate alpha course and those who have been coming along each week to know more about Christianity. Pray for the group that they would know Jesus as Lord and Saviour.
- Please pray for students exams and their summer months ahead. As they go from campus to jobs,

internships and holidays across New Zealand please pray that they would connect with churches and people to continue growing in their faith over the Summer
